MISCELLANEOUS

Approvals and consents

Unless this agreement expressly provides otherwise, a party may give or withhold an approval or consent in that party's absolute discretion and subject to any conditions determined by the party. A party is not obliged to give its reasons for giving or withholding a consent or approval or for giving a consent or approval subject to conditions. Where this agreement refers to a matter being to the "satisfaction" of a party, this means to the satisfaction of that party in its absolute discretion.

Assignments and transfers

A User must not assign or transfer any of its rights or obligations under this agreement, or attempt to do so, without the prior written consent of each of the other parties. QBLOK is entitled to transfer any rights and obligations to any third parties at its sole and absolute discretion.

Entire agreement

This agreement and the policies and procedures set out on the QBLOK Platform from time to time contain everything the parties have agreed in relation to the use of the QBLOK Platform and membership of the QBLOK Community.

Exercise of rights

A party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a party does not prevent a further exercise of that or any other right, power or remedy and failure by a party to exercise, or delay by a party in exercising a right, power or remedy does not prevent its exercise. Except where expressly stated to the contrary in this agreement, the rights of a party under this agreement are cumulative and

are in addition to any other rights available to that party whether those rights are provided for under this agreement or by law.

No adverse construction

No term or condition of this agreement will be construed adversely to a party solely on the ground that the party was responsible for the preparation of this agreement or that provision.

Severability

Each provision of this agreement is individually severable. If any provision is or becomes illegal, unenforceable or invalid in any jurisdiction it is to be treated as being severed from this agreement in the relevant jurisdiction, but the rest of this agreement will not be affected. The legality, validity and enforceability of the provision in any other jurisdiction will not be affected.

Time of essence

Time is of the essence for the performance by each party of its obligations under this agreement.

Waivers

A waiver or relaxation of any right, power or remedy under this agreement must be in writing signed by the party granting it. A waiver only affects the particular obligation or breach for which it is given. It is not an implied waiver of any other obligation or breach or an implied waiver of that obligation or breach on any other occasion. The fact that a party fails to do, or delays in doing, something the party is entitled to do under this agreement does not amount to a waiver.

Release

You release QBLOK (and QBLOK's officers, directors, agents, subsidiaries, joint ventures and employees) from any and all claims, demands and damages (actual and consequential) of every kind and nature, known and unknown, suspected and unsuspected, disclosed and undisclosed, arising out of or in any way connected with disputes with one or more Users, or an outside party.

Variation

To the extent permitted by law, QBLOK is permitted to revise these Terms at any time as it sees fit, without prior notice to a User, and any revisions will take effect when posted on the website, unless a later date is stated in the revised Terms. A User's continued use of this website will be construed as a User's consent to the amended or updated Terms, and will be conditional upon the Terms in force at the time of use. A User's only remedy, should such User not agree to these amended Terms, is to stop the use of this Website.

Breach

If either QBLOK or the User commits a breach of these Terms and fails to remedy such breach within 7 (seven) days of receipt of written notice requiring the breach to be remedied, then the party giving notice shall be entitled, at its option, either to cancel these Terms and claim damages or alternatively to claim specific performance of all the defaulting party's obligations, together with damages, if any, whether or not such obligations have fallen due for performance.

Disputes

In the event of any dispute or difference arising between QBLOK and the User relating to or arising out of these Terms, including the implementation, execution, interpretation, rectification, termination or cancellation of these Terms, QBLOK and the User or any of their designated officials shall upon request by the other meet to attempt to settle such dispute or difference, and failing settlement within a period of 7 (seven) business days from such a request, the said dispute or difference shall on demand by either QBLOK or the User be submitted to arbitration in Johannesburg in accordance with the Rules of the Arbitration Foundation of Southern Africa by an arbitrator or arbitrators appointed by the Foundation.

QBLOK and the User irrevocably agree that the decision in any arbitration proceedings:

will be binding on both of them;

will forthwith be carried into effect;

may be made an order of any court of competent jurisdiction.

Nothing herein contained shall be deemed to prevent or prohibit either QBLOK or the User from applying to the appropriate court for urgent relief.
